International Conference on Science, Technology and Innovation Indicators, STI

10/11/2021

The 26th International Conference on Science, Technology and Innovation Indicators, STI 2022, will be held September 7-9 2022. The conference is held in collaboration with the European Network of Indicator Developers (ENID). The conference is hosted by the Faculty of Communication and Documentation at the University of Granada.

The 2022 STI conference addresses the new issues and challenges that have appeared in Science, Technology and Innovation indicators. The conference will be the opportunity to showcase results from the intense work done in recent years on the way science, technology and innovation indicators are used in relating social actors to science and technology. We look forward to seeing you in Granada!
